- ensure workers and subcontractors identify and control risks in the workplace
- monitor and review the elimination or control of potential risks
- enhance workers' WHS knowledge through a program of education and training.

The success of our WHS management depends on:

- the commitment of all persons to achieve the policy objectives
- planning work activities, with due consideration given to WHS
- undertaking the risk management process in an effective manner
- communication and consultation between our workers and subcontractors.

We are committed to fulfilling the objectives of this policy and expect the same of all workers and subcontractors working on our behalf.
