

# Moving furniture and equipment

Reduce the risks when moving, carrying or setting up learning equipment in the workplace.

The risks and solutions to help prevent workplace injuries in early childhood education and care are:

## Risks

- Slips, trips and falls.
- Musculoskeletal Disorders (MSDs) like sprains and strains.

## Solutions

- Set up learning areas to prevent, or minimise, the need to move furniture and equipment.
- Make sure the ground is free from slip and trip hazards.
