Privacy compliance statement

This information is collected by SafeWork NSW (the Regulator) for the purposes of undertaking an evaluation, assessment and processing of an application for the authorisation of an explosive under the NSW Explosives Regulation.

This information may also be used by the Regulator for the purposes of confirming applicant details, to establish and maintain an internal and external database – including a register of authorised explosives and to assist the Regulator and its inspectorate with its work generally. It may also be provided to other state, territory and overseas regulatory authorities.

Except for the purposes of prosecution and unless such disclosure is otherwise required by law, the information will not be accessed by other third parties in a way that would identify the individual without the consent of that individual. You may also apply to the Regulator to access and correct any information about yourself if that information is inaccurate, incomplete, not relevant or out of date. Applications should be made in writing to: Privacy Contact Officer, SafeWork NSW, Locked Bag 2906, Lisarow, NSW 2252.
