Include on email subject heading: Expired product extension application

Post: SafeWork NSW – Locked Bag 2906, Lisarow, NSW 2252

Email or post the application – do not send more than once

Privacy compliance statement

This information is collected by SafeWork NSW (the Regulator) for the purposes of undertaking an evaluation, assessment and processing of an application for the authorisation of an explosive under the NSW Explosives Regulation.

This information may also be used by the Regulator for the purposes of confirming applicant details, to establish and maintain an internal and external database – including a register of authorised explosives and to assist the Regulator and its inspectorate with its work generally. It may also be provided to other state, territory and overseas regulatory authorities.

Except for the purposes of prosecution and unless such disclosure is otherwise required by law, the information will not be accessed by other third parties in a way that would identify the individual without the consent of that individual. You may also apply to the Regulator to access and correct any information about yourself if that information is inaccurate, incomplete, not relevant or out of date. Applications should be made in writing to:

Privacy Contact Officer, SafeWork NSW, Locked Bag 2906, Lisarow, NSW 2252.

Suburb

State

Postcode

SECTION 4. Information about the expired explosives

Please complete the table on the following page with information about the expired explosives.

Additionally, you must attach the following supporting information:

- Evidence the explosives were previously authorised in NSW (e.g. highlighted extract of the List of Authorised Explosives, or a SafeWork NSW letter of authorisation)
- Photographs of the expired explosives showing the outer packaging and labels, inner packaging, and explosives articles of each product type in the table.
- A statement by the person in possession of the expired explosives that:
 - » The expired explosives have been inspected by a competent person
 - » The packaging, marks and labels comply with the Australian Explosives Code
 - » The expired explosives are safe for transport

Item number	Authorised explosive name	UN Number	Classification Code	Proper Shipping Name	Date of Manufacture	Batch No	Quantity		Manufacturer	Manufacturer's shelf life (refer TDS)
							No. of articles	No. of boxes		

If space is insufficient, please photocopy the page and submit with the application form.
