

Maintaining indoor and outdoor areas

Implement good practices to keep toys in designated spaces, and take care when setting up equipment.

The risks and solutions to help prevent workplace injuries in early childhood education and care are:

Risks

- Slips, trips and falls.
- Musculoskeletal Disorders (MSDs) like sprains and strains.

Solutions

- Keep your floors, pathways and play areas free of clutter, indoors and out.
- Use outdoor equipment that doesn't need to be unpacked and packed away each day.
